To the Class of 1970:

Your class and I have at least one thing in common — both will be leaving this Campus in June. I hope we shall take with us a loyalty for Trinity-Pawling which will stimulate a desire to help the school in the years ahead.

As you go along in college, you may find more happiness if your reason for being there is something more positive than being constantly against "the Establishment" there is room for wholesome participation something quite different from disruption and violence. We need these qualities in this great Country just as much as we need youth!

Good luck and God bless you!

Matthew E. Dann

DEDICATION

Dr. Matthew E. Dann has done more for Trinity-Pawling school than can be summarized adequately in a few paragraphs, for in truth his contribution is invaluable. He has dedicated a substantial part of his life to the school, and it stands today as a testimonial to his service.

In his twenty-three years as Headmaster, Dr. Dann has built the majority of the buildings which stand on the present campus. Perhaps his greatest accomplishment in this respect was the speed with which he managed to rebuild the south half of Cluett despite the problems with labor. Yet beyond this he has greatly improved all the school's facilities and made it a better and more pleasant place in which to be educated.

In their contact with Mr. Dann, the students have found him both kind and harsh in turn. He is always ready with a warm smile and encouragement for the assiduous student, yet he is quick to chastise laziness and general misbehavior. Furthermore, he has always tried to instill in each student a healthy respect for the standards of Trinity-Pawling so that hardly anyone leaves without some beneficial effect of his influence.

Therefore, as a small token of our gratitude we, the Class of 1970, dedicate our yearbook to Dr. Matthew E. Dann not only because he has done us a great service, but because he has done a great service for Trinity-Pawling School.

L'examen prochain sera le vendredi

As the oldest and most experienced members of the student body, the Seniors are responsible for the success of the school. They must set an example which the underclassmen can follow; they must be responsible in everything they do. The Class of 1970 has followed this pattern, but in an entirely different way than most of the preceding classes have.

The Seniors this year have not only preserved the traditional values of the school, but they have added something which is sometimes sorely lacking in prep school life — individuality. The Class of 1970 is not made up of one single type of boy; more than ever before, this is a varied group. This is the most valuable contribution of the Seniors.

Of course, the standard type of leadership has still been present in all aspects of school life. The athletics and activities represented Trinity-Pawling well; the college acceptances of the Seniors reflected solid academic achievement. Furthermore, the school still maintained the high student morale for which it has so often been praised. The Seniors have retained the values and standards of Trinity-Pawling, yet they have changed it in a way that is practically unnoticeable; almost impossible to describe.

The Class of 1970 has achieved a general relaxing of the normally rigorous life of a boys' prep school. Without changing any major rules, this Senior Class has transformed a stoic atmosphere into one more compatible with the modern boy.

Each Senior followed his own designs in his own way and, in doing so, made a far more valuable contribution to Trinity-Pawling than he realized. In this lies the spirit of the Class of 1970; in this lies the value of the Class of 1970.

CUM LAUDE SOCIETY

With praise and commendation, and as a result of much, much hard work, four members of the Class of 1970 were awarded much sought after memberships in the esteemed Cum Laude Society upon completion of a review of all senior records by the Headmaster. Although far from equalling the large number of new members in 1969, this year's group is indeed a fitting representation of the Senior Class. Jon Pettit, a four-year veteran of Trinity-Pawling, evidenced early in his freshman year the academic excellence that would win for him the coveted diploma of the Society, and he continued his superior work right through to graduation day. Bruce Birns likewise exhibited the necessary ability, desire, and diligence that would ultimately place him in the Society. Lewis Lazare, a junior addition to the class, quickly soared to a position that procured for him graduation "cum laude." Jim Collins rounded out the foursome with his overpowering determination to exceed the norm.

These new members will receive diplomas and keys certifying membership in the Cum Laude Society as lasting indications that they have achieved the necessary qualifications. These are: Being a two year member of the class and having an overall average of eighty and eighty-five in the junior and senior years respectively. And on that momentous day, as these four academically lauded leaders of the Senior Class march at the head of the commencement procession down the center aisle, they will have every right to feel a certain sense of achievement, a certain sense of having not merely glided through four years of high school, but of having achieved a goal that will serve to keep them constantly striving to reach new and higher plateaus in life.

SENIOR HISTORY

CLASS OF 1971

JUNIOR CLASS

First Row: Esselen, Gunkel, Peck, Eerde, McElroy, Garcia, K. Boyles, Hull, Hays, Lundell, Mitchell, Conover, Karsten, Demment, Liu, Pollock. Second Row: Leuszler, Hendricks, Ewing, Greenwald, H. Adams, Cook, Cutting, Yokana, Alcott, O'Rourke, Colt, Kirby, Lincoln, Hampson, Seibert, Baer. Third Row: Sanik, Bresnehan, Ebaugh, Eastland, Huoppi, Wall, Spang, Siegfried, Barile, Hawley, Green, Kite, Littleton, Washington, Coffrin, Kinsey. Fourth Row: Spackman, Wiss, Citron, Colley, Ackerbloom, Rutter, Butler, Shepperd, Herman, Hilton, Connell, Wehrly, Stephens, McNamara, Ross. Fifth Row: Shera, Weyll, Peterson, Marvin, Cullen, Lundberg, Henderson, Garvin, Lomazzo, Utter, Scott, Lupton, Senna, McKay, Eakers, Karsten, Richards.

The class of 1971 started out in fine fashion this year. The class dominated Varsity athletics as well as turning out a fine academic record.

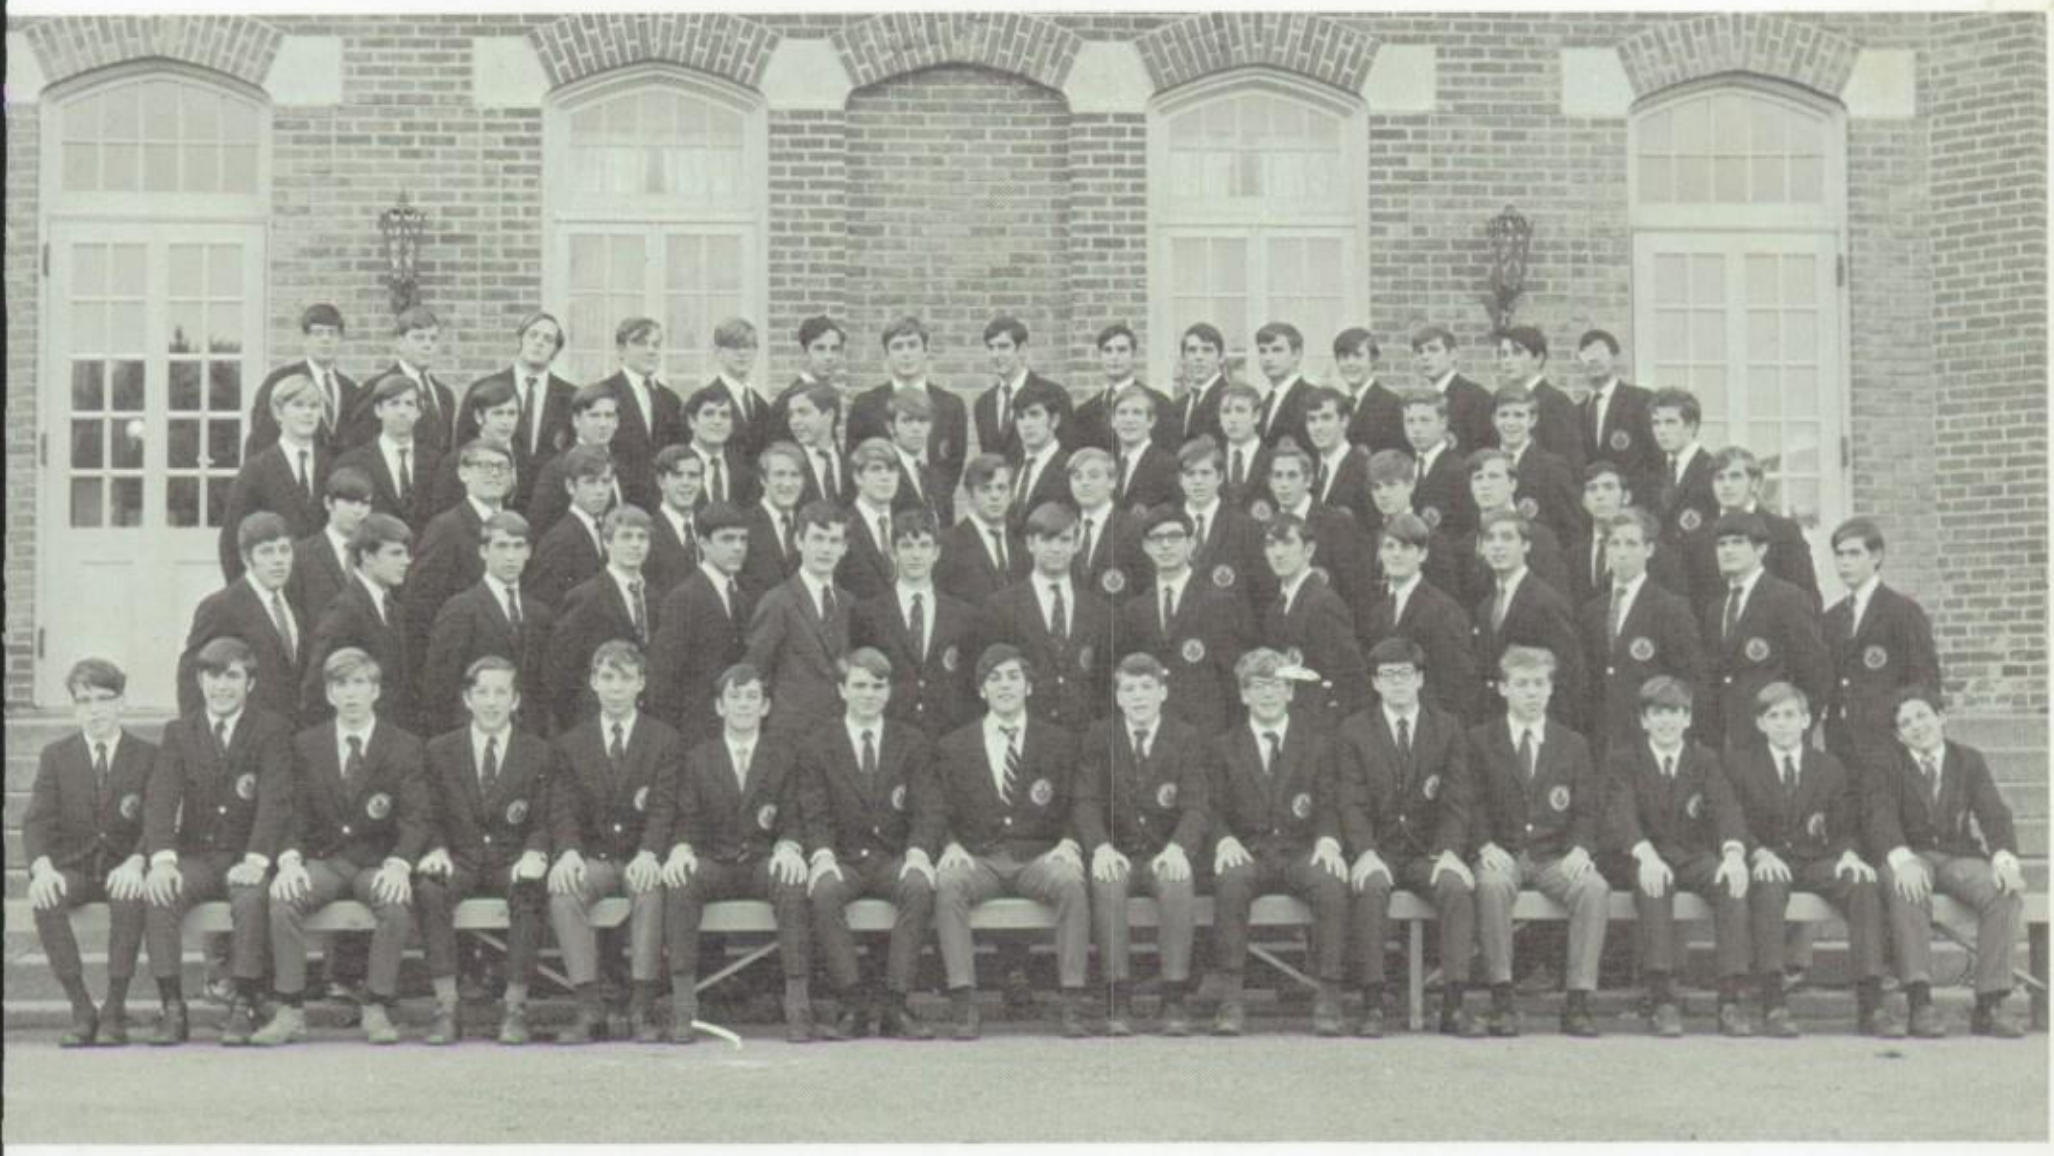
This year Dave Cook, Doug Hawley, and Larry Colt were elected to the Student Council while Clark Herman and Dave Demment were chosen for the Dance Committee. In the fall Ackerbloom, Bresnehan, Citron, Colley, Ebaugh, Herman, Lupton, Rutter, Sanik, Scot, Siegfried, and Utter were Varsity letter winners in football. Colt, Cook, O'Rourke, and Yokana lettered in Varsity soccer while captain Dwight Stephens, Hays, Demment, Eastland, and Karsten dominated the Varsity cross-country team. In the winter there was significant junior support in hockey, wrestling, swimming, squash, and basketball. Bresnehan, Cook, Demment, and Huoppi contributed their assistance to Varsity hockey while Baer, Hilton, Kirby, and Lieu added their strength to Varsity wrestling. On the basketball court it was Citron, Lupton, McKay, Peterson, Sanik, Scott, Shera and Utter who did an excellent job for Varsity basketball. Ackerbloom, Karsten, McNamara, Cranstoun, Wehrly, Seibert added to the Varsity swimming team while Rutter, Herman, and Lundberg played on the Varsity squash team.

The juniors have also shown their interest in extra-curricular activities. Hugh Eerde, Clark Herman, and Steve Littleton are presidents of the Chess Club, Glee Club, Trinitones, and French Club respectively, while the rest of the junior class added great support to the rest of the school's activities.

The Class of '71 is not lacking in the most important area of school life, academics. Making the Honor Roll were Bloch, Demment, Esselen, Henderson, Huoppi, Hull, Kite, and Littleton.

The Class of '71's outstanding ability ,its desire to do well and to work harder, have given the fifth formers a reputation no other class can claim. Because of the contributions this class has made to the school this year, it has established a good beginning for its senior year.

CLASS OF 1972



SOPHOMORE CLASS

First Row: Monell, Villani, Sloan, Fownes, Gustavson, Roche, Widnall, J. Murphy, Weaver, W. Jackson, Bellis, Burak, Dunbar, Hart, Risher. Second Row: Alfred, Nestler, Fernley, Bruner, R. Hall, Cummings, R. Hess, Bluhm, Kerley, Grebe, Gallagher, P. W. Jordan, C. Colhoun, Howard, Church. Third Row: Lignieres, D. Pettit, Kirchmaier, Donahue, Putze, Laundon, Philbrick, Dackerman, Burch, W. Wallace, McCabe, Pickering, Cavazuti, Gilbert. Fourth Row: Herrick, Daeschler, Bluntschli, Galbraith, Lovisa, Homes, Gardner, Katz, P. McGraw, Smith, Rapp, Borges, Sibley, Wittreich. Fifth Row: Wegner, Corrigan, Frost, Payne, Lehren, Neandross, Ridinger, D. Salata, Goat, P. Salata, Ferguson, Fowks, T. Murphy, Figueroa.

THE SOPHOMORE CLASS

The Class of 1972 has matured immensely since last year. The class has shown great improvement in its spirit and character. The sophomores seem to have more interest in Trinity-Pawling life, both academic and sports, than the other classes do.

The sophomores with high honor averages were Don Pettit and Bob Gustavson. Those with honor averages were Chip Monell, Bill Burch, Paul Villani, Jay Kerley, and Rick Fownes. With an average of two or three sophomores on the High Honor Roll, it is obvious that the Class of 1972 is strong academically.

Not only is our class strong in the classroom but it is impressive on the fields as well. The sophomores on Varsity football were Fred Frost, Rick Lovisa, and Peter Viger. Angel Figueroa competed for Varsity cross-country and Bruce Borges played on the Varsity soccer team. Loring Pickering, Mike Cavazuti, Brian Donahue, Fred Gilbert, Donald Pettit, Craig Colhoun, Bruce Neandross, Jay Kirchmaier, Harlan Holmes, Kevin Corrigan, and Alan Payne supported the J.V. football team. The J.V. soccer team sophomores were Rich Rapp, Bill Wagner, and Bill Burch. Leroy Dackerman was the only sophomore on J.V. cross country.

As winter arrived, the sophomores exhibited equal competence in winter sports. The Varsity hockey team was fortunate to have Mike Cavazuti, John Howard, Bob Gustavson, Frank Roche, Fred Frost, Craig Colhoun and Fred Gilbert. Obviously, the Class of 1972 is a valuable asset indeed on the playing field.

The sophomores are also engaged in various clubs and organizations. The sophomore class has certainly proven to be a well unified, cohesive class. Surely the Class of 1972 has great achievement awaiting it in the years ahead.

CLASS OF 1973

First Row: Gilletti, J., Griffin, G., Tanner, J., Swift, D., Cooper, E., Bowman, D., Montana, D., Thomas, P., Stephens, B. Second Row: Spignesi, T., Hartcorn, D., Weyant, T., Mason, P., Colley, B., Ahrensfeld, T., Raftery, J., Haupt, E., Arter, B., Marx, P. Third Row: Brophy, G., Lisecki, P., Annis, D., Calaceto, R., LaMorte, C., Birns, D., Greenfield, R., Kronemeyer, J. Williamson, J., Foulke, D. Fourth Row: Bauer J., Powell, D., Dungan, G., Campbell, R., Redfern, T., Griffith, A. Desrosier, J., Morgan, E., Hilmer, D., Tennant, J., Lisle, B.

THE CLASS OF '73

The class of '73 has shown great potential in all areas of student activities. Under the advisorship of Messrs. Dunbar, Erdmann, Hartog, and MacBeth, the Freshman Class has grown in spirit and wisdom. Earning a highly commendable average was Patch Mason, who made the High Honor Roll. Also obtaining commendable averages were James Tanner, High Honor Roll, and Edward Cooper and Douglas Birns, who made Honor Roll.

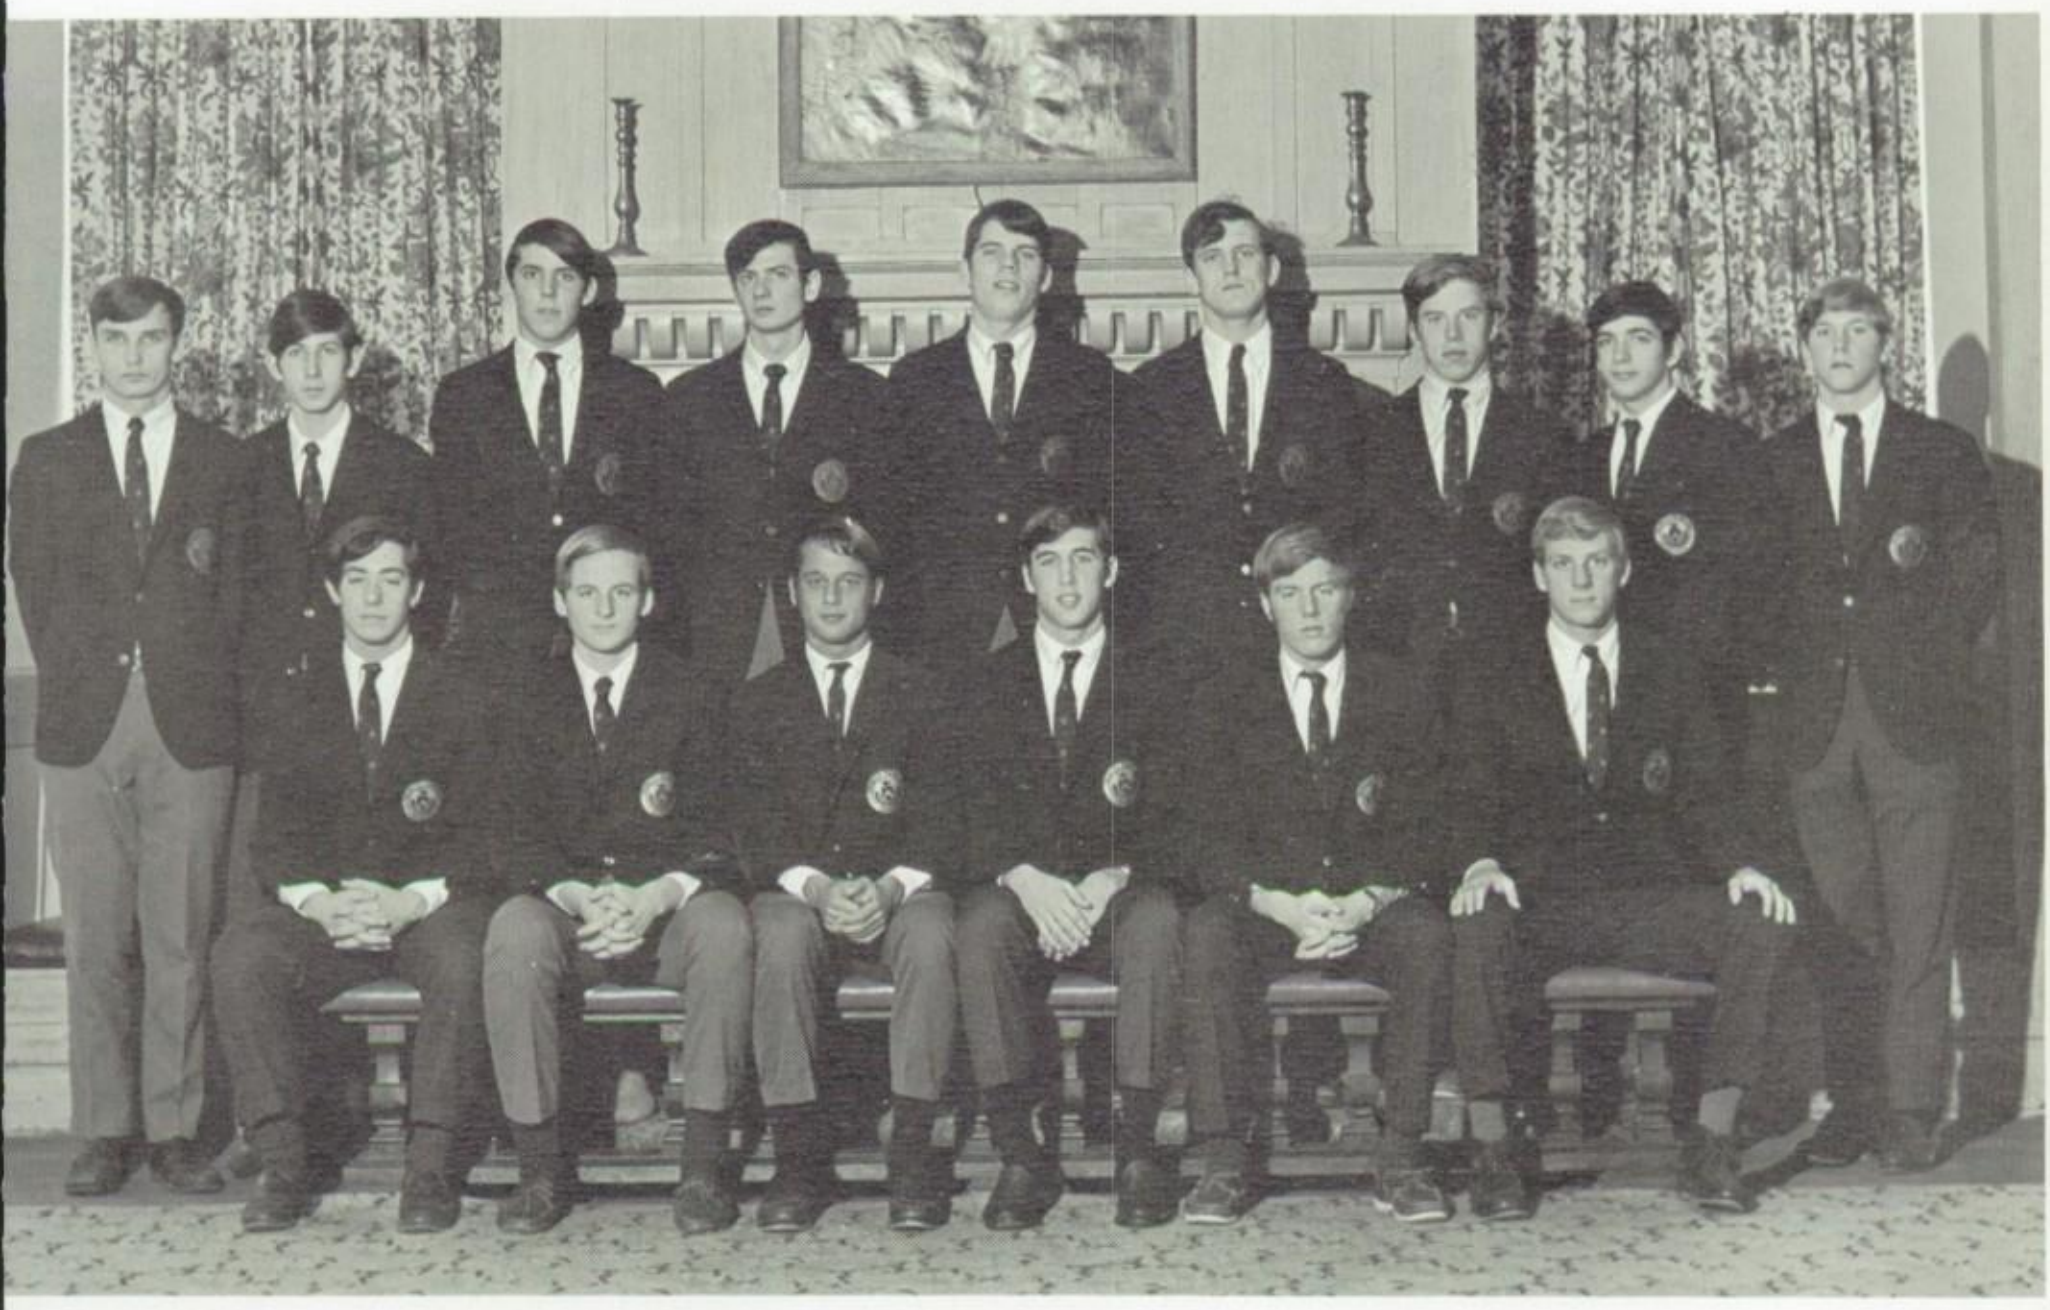
The Freshman Class also represented itself well in athletics. Playing on Varsity soccer was Patch Mason; representing the class on J.V. football was Robby Campbell; Tom Ahrensfeld and Ted Spignesi were on J.V. soccer; and Arthur Griffith ran for J.V. cross-country. Others played well on Third Team soccer and football.

Again in the winter term freshmen showed their talent. In J.V. hockey, Patch Mason and Ted Spignesi showed their skill On the basketball courts Dick Hilmer, Dave Hardcorn, and Doug Foulke showed their talent.

In the field of extra-curricular activities, the freshmen showed considerable musical talent. Ed Cooper and Jim Tanner made up one half of the Brass Quartet. Ted Spignesi played the drums in one of the groups at the beginning of the year. This year a new club was formed, the Freshman Glee Club. Led by Mr. Fey this group showed potential.

Jim Desrosier was the Student Council Representative, and many others showed good potential in leadership. Under the leadership of these people, the Class of '73 should do much for this school.

THE STUDENT COUNCIL



STUDENT COUNCIL

Seated: Hess, Colhoun, A. Foster, Tandy, Tenney, McGraw. Standing: Salata, P., Desrosier, Goat, McGinley, Foster, D., Pettit, J., Colt, Hawley, Cook.

The Student Council is the heart of the school's government nce it performs many functions which are essential to the xistence of proper student-faculty relationships. Each class is epresented on the Student Council. The Senior class is repre-nted by nine prefects while the junior, sophomore, and fresh-an classes are represented by three, two, and one members, spectively.

The chairman of the Student Council, Head Prefect Michael andy, calls a meeting at either Mr. Dann's house or office when-ver there is new business to discuss. He is assisted at these neetings by the secretary of the Student Council, Skip McGin-y. Although the Student Council does not have the authority o create school policy, it does bring forth the problems and ideas of the student body to be discussed by the Council and Messrs. Dann and Dunbar. After discussing all of the facts involved, Mr. Dann makes a decision as to whether or not their ideas conform to the basic policies of the school and proposes possible solutions to the problems discussed. Outside the meetings, the Student Council members help in supervising study halls, assume responsibility in the dormitory areas, and help promote the fine school spirit for which Trinity-Pawling is noted.

This year the Student Council has worked hard trying to represent the student body to the utmost of its ability, while all year striving to set an example commensurate with its position of trust and responsibility.

Academics provide for the improvement of the mind; athletics provide for the improvement of the body; the activities program provides for nearly all the rest. It encompasses the cultural, social and academic sides of life which a student cannot find anywhere else; it exists merely to provide enjoyment and nothin else. It is through the activities program that each student may pursue whatever his curiosity suggests; interest is the determining factor.

Activities are mainly the outlet for any talent or interest that a student may possess, and they provide a deep sense of personal fulfillment if time and work are expended — perhaps even more satisfaction than any other aspect of school life, for they are something the student wants to do, not what he is required to do.

This is the underlying value of activities. They are completely the concern of the students, and they alone determine an activity's success or failure. They operate mainly under student supervision. They are not the school's attempt to help the students, but the student's own efforts to work and help themselves, but above all to have fun.

ACTIVITIES

TRINITANNUS

First Row: Tom Demenkoff, Bob Benson, Mr. Owen, Jon Pettit, Mike Tandy, Andy Foster. Second Row: Dan Culver, Lewis Lazare, Martin Anderson, Bob Larson, Simon Jones, Ed Valencia, Sam Hemingway.

The goal of this year's *Trinitannus* staff was to produce a meaningful record of the events of the school year. With particular emphasis on the senior class, we have selected a menagerie of photographs and articles which, we feel, has accomplished this. Our final success lies in the hands of the students, and the effect the yearbook has on them.

The history of this publication mainly involves six people: Jon Pettit, Gary Baschuk, Bob Benson, Andy Foster, Martin Anderson and Sam Hemingway; they are the six who bore most of the workload. Benson, with considerable help from Tom Demenkoff, handled all of the sports section, while Hemingway tackled the financial side of the yearbook almost singlehandedly. Foster and Anderson did just about all the photography; Pettit and Baschuk accounted for most of the rest of the book. The rest of the staff did various odd jobs. Tandy was responsible for distributing some of the work and making sure that it was completed. Culver, Larson and Lazare helped in writing some of the articles. Mr. Owen, of course, must be given much credit for bringing order out of chaos.

It was a lot of work, but all of those involved enjoyed those long sessions in Pettit's room. All of them can look back with a sense of pride on the product of their labors.

TRINITY-PAWLING TIMES

First Row: Carlton, Gronauer, Mr. Owen, Atack, Birns, Halbreich. Second Row: Lazare, Culver, Larson, Hess, Tenney, Ayers, McGinley.

Quality, not punctuality, has been the slogan (or the excuse) of this year's newspaper staff. Under the carefreee leadership of Editor Chris Atack and Assistant Editor Skip McGinley, the *Times* was rarely in by the deadline. Managing Editors Lewis Lazare, Bob Gronauer, Irwin Liu, and Rand Carleton did an excellent typing job. Humorists Bob Larson and Jeff Ayers, along with several others, kept the Country Cousin the most popular feature in the paper. John Halbreich, this year's photography director, did an excellent job, coming up with good shots for each issue. Bruce Birns, the Sports Editor, was probably the most conscientious and punctual member of the staff. The dialogues between him and the usually patient but sorely tried Faculty Advisor, Mr. Owen, provided much comic relief. "Bruce, why don't you plan this out?" "But, sir, I do!" "Hmmm!" Dan Culver, the Circulation Manager, did a fine job, and aside from getting the papers out, helped the writing staff in every area. Tom Hess served as Business Manager. If the paper wasn't always on time, at least the staff learned something, and they certainly had fun!

ACOLYTES GUILD

The Acolytes' Guild is a student organiz tion, consisting of forty members, under th direction of Father Heron, the school cha lain. These students made important contr butions to the school and also enhanced the own religious lives. The Acolytes assist Fat er Heron at the Holy Eucharist on Sunda morning and at the regular weekday and Su day services.

Stephen Dominick, who served as Hea Acolyte, was responsible for the training this year's servers. Thomas Demenkoff, th Sacristan, did a fine job in assisting the st dent readers and preparing for the variou services. Stephen Heath, the Verger, was r sponsible for the taking of attendance at a services, ushering, and taking of collections.

During the winter and spring terms, week day chapel was held in the morning. Eve Monday morning, a senior read the enti service. These two innovations gave the cha el services a pleasurable change. Because the dedication of these devoted students, th chapel has become a more reverent place worship.

ART CLUB

This year the Art Club has endeavored to encourage the aesthetic ideas of its members in conjunction with the various art medias to form art.

Under the direction of Mr. Hauser the growing media of film has been studied and experimented with. The members are now attempting to complete a short film to demonstrate what they have learned. The opportunity for environmental design arises annually and has been successfully done for two years. The Art Club also provides work to be evaluated for possible submission to the literary magazine.

Constructive hours have been spent in the studios where members work to contribute to the several art exhibits which have taken place this year. The idea of constructing a permanent art gallery for the displaying of student work has been suggested; if approved, it might be constructed if time allows.

The members have taken trips to such institutions as the Metropolitan Museum of Art and the Museum of Modern Art to view the work of professional artists.

The Art Club has many fine artists. The great interest and dedicated spirit of its new members has made the club an active, interesting, and worthwhile organization.

The Trinity-Pawling Press Club has been one of the most active and effective clubs in the school for the last several years. This year the club became more efficient than it had been in the past. The main purpose of the club is to report the scores of home athletic contests to *The New York Times* and to deliver the scores to the local papers so that they can publish summaries of the games. It also publishes a sports booklet for each of the seasons, which contains a pre-season forecast of the team and a roster. The third objective of the club is to send out press releases on students who have made outstanding achievements during the year.

This year, the Press Club was headed by Editor Robert Benson, Assistant Editor Andy Lundberg, and Managing Editors Jim Harmon, Sam Hemingway, and Tom Demenkoff, with Mr. Hubbard acting as Faculty Advisor.

The Press Club has had a very successful year. With the now experienced new members, the club has established itself as one of the most worthwhile organizations in the school.

TRINITONES

Apart from the regular Trinity-Pawlin Glee Clubs are the Trinitones. They are small group of singers selected from the Gl Club by Jonathan Fey, Director of Musi There are eight singers in the Trinitones th year. Singing in the first tenor section th year are David Rutter and Tim Coons whi Clark Herman and Richard Alcott compri the second tenors. Filling in the baritone se tion is Basil Maher and Richard Henderso with Elliot Hague and Richard Olsen suppor ing as second basses.

The first performance was a hit with th student body. The debut was highlighted b a one finger, one thumb routine that caused great humorous response among the audienc However, the best showing of the Triniton was undoubtedly at the traditional Candlelig Service in which they performed "O Sacru Convivium," a sixteenth century piece b Viadam. The service was greatly rewarding both the Glee Club and the Trinitones, wh are greatly indebted to Mr. Fey for his gre effort and concern for music at Trinit Pawling. He has added much diversity an interest in the music we sing in his first ye as music director.

THE CHOIR

This year's Choir is perhaps the best in the school's history. Mr. Jonathan Fey, the Director, has expanded the possibilities of the repertoire and removed the dull aspects of previous choirs. He has required hard work and produced a vast improvement.

During the regular Sunday services, the Choir sang more contemporary songs, which served to lighten the chapel atmosphere. The best of these was "He Was a Rebel" in which the Choir sang the accompaniment to Lewis Lazare's reading. In addition, the Choir and the Glee Club combined for the Candlelight Service, for another enjoyable experience.

Although the Choir did not make any outside trips as a single body, they did travel with the Glee Club to the N.Y.U. Glee Club concert and, although they did not sing there, the trip was entirely enjoyable.

But the over all goal of the Choir is to provide music for chapel; this has been done better than ever before. The members have done a job to be proud of.

The Glee Club has tried to present a broad repertoire in order to promote a well balanced appreciation of all types of music. Hence, the music this year came from the Renaissance, Baroque, Romantic, Classical, and Contemporary eras. As a result of the exceptional spirit of its director, Jonathan Fey, the Club reached a new peak. The Club provided music for the Candlelight Service, and performed unusually well. This year Mr. Fey introduced a brass quartet which, in addition to a piano, accompanied the main body of the Glee Club.

The Club gave concerts with several girls schools in the area, such as Rye Country Day and Marymount. These concerts were most successful.

The Glee Club this year has shown a marked improvement over the ones in the past, and it continues to be one of the most active clubs on campus.

WIND AND PERCUSSION ENSEMBLE

This year there is a Wind and Percussion Ensemble instead of a band. The reason for this change is that an ensemble is much smaller than a band. Every player, as a result, receives more individual instruction.

The Wind and Percussion Ensemble has many selections which are quite popular. Some of these are "Soul Explosion," "Hawaii Five-O," "The Work Song," "The Naughty Lady of Shady Lane,"' "Born Free," and "Tango."

The group is composed of nine members. Cooper and Esselen play trumpet. Richard Huoppi plays saxophone; Schmid and Hampson play the French horn, Anstett and Alfred use the drums while Alcott and Tanner play the trombone. Under the direction of Mr. Mincarelli, the ensemble has shown that it is not necessary to be big, to be great.

DEBATING SOCIETY

In its eleventh year of organization, th Debating Society finished second in the Wes ern Housatonic Debating League. Althoug our debaters ran against stiff competitio from sophisticated opponents, they manage to compile four wins for the season.

In the first debate, Andy Lundberg an Chris Hendricks defeated the Canterbury de baters with their affirmative argument, whil Don Pettit and John Lomazzo lost a close on at home on the topic, Resolved: that the vo ing age should be lowered to eighteen.

In the next debate, which involved th space program, Larry Watson and Dan Curri lost to a strong St. Margarets team, but Stev Dominick and Chris Atack won at home. Thi threw the league championship to the fina debate, which T-P split. Debating on com munism, Jon Pettit and Mike Colhoun ou witted the Wooster affirmative team, away but Steve Dominick and Chris Atack lost th negative at home. This placed T-P in a fou way tie for the league lead.

The play-off debates were then held; Jo Pettit and Chris Atack won the first debate, o atheism, against Saint Margaret's, but John Lomazzo and Chris Hendricks lost to a fin Wooster team on the subject of a voluntar draft. This put the T-P team second in th league. Mr. Wood, with a large crop of re turning debaters, expects a first next year, an has high hopes for the years to come.

THE SCIENCE CLUB

The Science Club is one of the most useful activities in the school; its weekly meetings provide an outlet for the scientifically oriented. Mr. Karpoe deserves special commendation for the work he puts in to organize each meeting.

Most of the time, the club sees a movie about various aspects of science which covered such diverse topics as: Radar, Chemistry, and Medicine. We even saw a few which were not very scientific at all, including one on the stock market and a football movie. On occasion, we heard a guest speaker who was a specialist in a particular field. These speeches, such as the one given by Mr. Harry Dea on Rocketry, were well received. All of this contributed to a very interesting year.

With the help of President Simon Jones, Secretary Bill Crowther, and Treasurer Sam Hemingway, this year's Science Club has upheld the high standards which this organization has set in the past. Without a doubt, this year's club was a success.

THE FRENCH CLUB

The French Club was organized in order to give interested students a chance to practice conversational French and to learn more about France as a country. Under the leadership of Steve Littleton, this year's club has worked in that direction.

Although the club has not lived up to Mr. Raiss's expectations, it has accomplished a few things more than last year's club. In the original meeting, it was decided that films and guest speakers would perhaps be the most popular activities which the club could sponsor, but due partially to a lack of funds and partially to a lack of other resources, these were not feasible. A trip to New York was also cancelled for the same reasons. Instead, the club had to resort merely to meetings in which the teachers gave lectures, and also a few periods when the students spoke French.

Most students felt that the French Club left something to be desired. Perhaps next year a few more avenues will open, and the club will be able to provide a more interesting program.

THE SPANISH CLUB

The Spanish Club exists to afford the advanced students of Spanish extra practice in spoken and written Spanish. Under the direction of Mr. Brandow and president William Crowther, the Spanish Club has developed an extensive and diverse program of activities.

At the meetings in which the entire club took part, a number of Spanish movies were viewed. Also, study topics and records, picked by members, added a great deal to their understanding of formal conversation. Special emphasis was placed on idiomatic expressions and verb tenses.

All Spanish students are welcome to attend open meetings of the club when a subject of general interest is to be presented.

THE RIFLE CLUB

The Rifle Club has been a tremendous su cess this year. Due to an overwhelming nun ber of students wishing to join the club, tw groups were formed: one for the Fall Ter and one for the Winter and Spring Term Under the leadership of Oren Beach as Pres dent, James Collins as Secretary-Treasure and Father Heron as Faculty Adviser, most o the members have made good progres towards achieving NRA awards.

The Carleton Gymnasium provides an ex cellent four-point range on which members o the club may fire either school rifles or thei own. The Rifle Range is open four nights week, and each member is permitted to fire a least once each night that he is assigned.

It is hoped that next year's Rifle Club wi have the success that this year's club was abl to achieve.

DANCE COMMITTEE

This year the Dance Committee, usually a very active organization, had little to do. Because the administration felt that the students did not support the school dances, only a few were held. These, however, were well organized under Steve Heath, the Chairman of the committee.

The major responsibility of the Dance Committee was to arrange for each dance, choose dates for each participant, introduce the couples, and provide music and entertainment. All these aspects were carried out well by this year's committee. They provided dances that were both pleasant for the participants, and acceptable according to T-P standards. On the whole, the few dances held were entirely successful.

The Dance Committee definitely feels that the reduction of the number of dances was a mistake, and that the students are more enthusiastic than the administration suspects. It would be a great improvement in school life if the dance program were revived to relieve the monotony.

DRAMATICS SOCIETY

First Row: Bowman, Arter, Weyant, Dominick, Weaver, Montana. Second Row: Harley, Hemingway, Scharfenberg, Weatherbe, Mr. Hauser, Foster, D., Ayers, Lapham, Hadley. Third Row: Jones, Eerde, Kelley, Lomazzo, Latterman, Lazare, Hummert, Hague, Johnson, O'Rourke, Timme, Trill.

This year the Dramatics Society, under the excellent direction of Mr. Hauser, provided the student body with a variety of productions. In past years it was customary to present one or two three-act plays. This year the Society decided to present something different.

In the fall term, two single act plays were done. The first, on December 9, was "The Black Box," under the direction of Mr. MacBeth, who assisted Mr. Hauser all year. Performing in this production were Louis Lazare, playing Arnold, and Sam Hemingway, who played the box. This play was about a box which was able to gain the complete confidence of an innocent passer-by. The box first took Arnold's wallet, then his watch, and finally took Arnold himself. The comedy of the play was well received by the students and faculty alike.

On December 16, the society performed the other single act play, "The Clod." In the leading roles were: David Foster and Jeff Ayres, with Steve Dominick, Will Harley and Nick Trill in the supporting roles. This play dealt with the Civil War, the chasing of a Northern spy by Southern soldiers, the misinterpretation of a man at times, and the unawareness of some people of the war itself. David Foster played a Southern sergeant and Jeff Ayers played an ignorant back woods farmer. They kept the suspense right up until the end. The set, which was the interior of a farmers cabin, was designed and built by David Kelly, Paul O'Rourke, Mike Sullivan and Dan Culver.

The members of the Dramatics Society have discovered the intricate yet rewarding aspects of staging a play. They also have learned that a successful production does not have to be a serious drama. Under the fine direction of Mr. Hauser and Mr. MacBeth, the work in the theater this year could be rated nothing but a complete success.

Photography is one of the most popular activities at T-P, and almost all sports events are covered by someone in the Club. The excellent work done by the Photo Club was seen in the Fall and Winter exhibits.

The majority of the active members were seniors. Among them were: Martin Anderson and Andy Foster, who jointly edited the pictures for the *Trinitannus,* and John Halbreich, who did the pictures for the *T-P Times.* These three members, among others, willingly gave much of their time to prepare pictures for the various publications.

The Photography Club provides an opportunity for students to learn how to take, develop, and print pictures. The Club also provides fine darkroom facilities, and excellent instruction given by Mr. Cole, the Faculty Advisor.

RADIO CLUB

First Row: Fowks, Mr. MacBeth, Broz. Second Row: Gronauer, Cummings, Lisle.

Although the Radio Club has not been very active this year, progress has been made in achieving its goal, which is to train each member sufficiently for him to obtain his novice transmitting license. This license, which enables the holder to transmit on the eighty, fourty, twenty, and fifteen meter bands with up to seventy-five watts of power, can be obtained by demonstrating an ability to send and receive the International Morse code at a speed of more than five words per minute. A small amount of basic radio theory knowledge is also necessary.

The club is still searching for a suitable receiver, but already owns a fifteen watt continuous wave transmitter. Once a receiver is obtained, the club hopes to operate from a room in the tower of Cluett through a forty meter dipole antenna.

Ultimately, it is hoped that it will be possible to set up and operate a campus FM transmitter. However, this requires a more advanced license than any of the members has, and thus must be a project for the future.

VARSITY CLUB

This year the Varsity "T" has truly developed into a meaningful organization. Its purposes have surpassed the ambiguous "promote school spirit" which had previously governed its actions. It is now the voice of the students on athletic policy.

Under the guidance of Mr. LaBelle, the club discussed various suggestions on athletic procedures and drew up a resolution to present to the Athletic Council. President Trip Lowell was mainly responsible for the shift in procedure; he took his office seriously. Due to his efforts, the Varsity "T" club managed to change the method of selecting captains, improve the conditions of the gym, and investigate the possibility of letter sweaters. Generally the members of the club have expanded the scope of the club.

This club will now provide a position of responsibility for all boys who have managed to earn four Varsity letters. It will give the students a long needed voice in the athletic procedure at T-P.

Without a doubt, athletics play a very important role in the development of any boy. Through sports a person unconsciously grasps certain intangibles which are impossible to gain either in the classroom or anywhere else. The spirit of competition, the initiative, and the maturity that one gains through sports will last long after the dates in a history course or the formulae of a chemistry class are forgotten. Athletics are as much a part of education as the classroom itself.

In all aspects of sports, Trinity-Pawling is well provided. No matter what athletic ability a boy has, he will find a suitable position at a suitable level of the sport which he chooses. There he participates with others of his own ability, and gains the same enjoyment and satisfaction as everyone else. Virtually no one is denied participation of some sort in athletics, and the results are outstanding.

Trinity-Pawling has an athletic tradition which is praiseworthy. Not only have the teams' records been excellent, but perhaps more important, Trinity-Pawling teams are noted for their great spirit and gentlemanly conduct. They have represented the school well, and are something of which each student can be proud. Yet on the personal level, Trinity-Pawling has accomplished even more. There is no doubt that the memories, values, and enjoyment each boy derives from his own participation in sports more than justify the whole athletic program.

Varsity Lacrosse 1969
New England Co-Champions

During the spring of 1969, T-P experienced the best lacrosse team the school has witnessed in the eleven years since the sport was introduced at the school. This outstanding team elected Rick Bergland as captain. Finishing his last of four years of Varsity lacrosse, he scored a phenomenal eighty-five points and was selected to the All-League team for his second year.

At attack, Mike Tandy with 33 points, Jon Pettit with points, and Rick Bergland were the highest scoring combinati in New England. Midfield starters were Duncan Tenney, Eml Drayton, Randy Goat on the first midfield, and on the seco were Steve Heath, Scott Menzies, and Robby Ream. Supplyi the tremendous talent on defense were Paul Sturz, Richard Jar

on, and George Brush. Filling in at the goal for the first time fter being an attackman, and doing a fantastic job, was Billy hannon. Of the thirteen starters, seven were named to the All-eague team. They were: Duncan Tenney, Jon Pettit, Rick ergland, Scott Menzies, George Brush, Emlen Drayton, and aul Sturz.

The first two games for T-P were against the West Point uniors and R.P.I. Freshmen. These two teams were easily man-andled by T-P, 13-1 and 22-1 respectively. Traveling to Hotch-iss to play in rain, T-P met its first real opposition, winning 8-3 ith Rick Bergland scoring four goals. This game later proved o be Trinity-Pawling's toughest game. A week later, T-P hosted n inexperienced Trinity College Freshmen team, beating them 7-8. High scorers for the game were Pettit, Bergland and Ten-ey. The next two games proved to be extremely easy. After raveling up to Lenox, Massachusetts, T-P easily defeated Cran-ell 21-3. On the next Wednesday, Cheshire was overpowered 3-5. Again the high scorers for the two games were Bergland nd Pettit with sixteen points each. The next team on the list was Kingswood. Kingswood, which is noted for its excellent lacrosse, succumbed to T-P 13-2. Scoring were Bergland, Pettit, Tenney, Menzies, and Drayton.

Next was Choate. The Choaties proved no match, bowing 18-1. The coming Saturday game was to be the most important game of the season. By beating Lenox, T-P could easily win the Connecticut Valley Lacrosse League. In front of a Fathers' Weekend crowd, a spirited T-P team outplayed Lenox to win 11-2. High scorers were Tenney, Drayton, and Bergland. The following two games against Taft and Darrow were a breeze. Taft lost 10-1 and Darrow was downed 19-0 with Billy Shannon getting his well deserved shut-out. The final game of the season was with the Alumni. Leading the Varsity to a 5-2 win were Tandy, scoring three times, Bergland, and Tenney.

Much credit must be given to Mr. Jollin and Mr. LaBelle. In the past three seasons, Mr. LaBelle has had a phenomenal 35-2 record. It is a great privilege to be coached by the best. Even though there are only five returning lettermen for next year, we are sure Mr. LaBelle will produce another fine team.

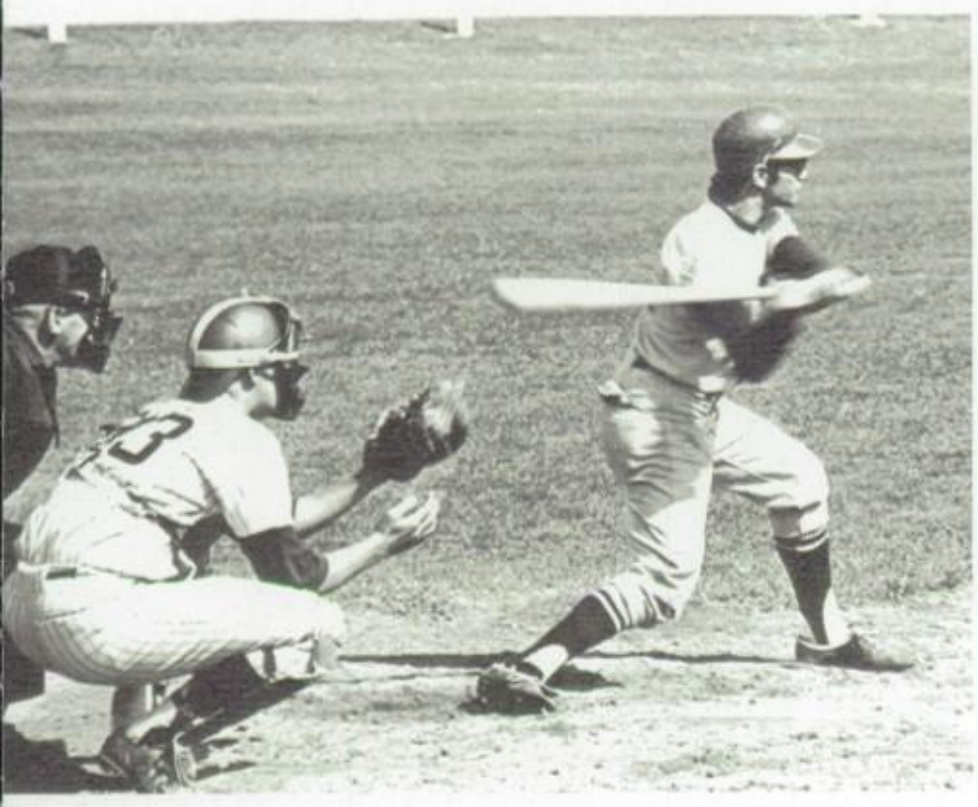
The Varsity Baseball Team in the spring of 1969 was hindered by two prime factors, poor weather and the lack of returning lettermen. The few returning were John Schwartz (SS), John Dowalgo (FB), and Bob Finlayson (CF). The remaining six positions had to be filled by boys from the previous year's J.V. and the new boys. Great assets to the team were: Gerry Sullivan, who played 3rd base, and also Steve House, who pr vided most of the pitching strength. However, this team lack the so called "big stick" which the preceding team of '67 carrie this was a team of clutch hitting and good execution. The l side of the infield amazed the opponents, but without the co stant long hits, the defensive play was to no avail.



The team started its season with a home game win against Berkshire 8-0. It then played host to a strong Poughkeepsie team and bowed to them by a score of 8-3. The next two games, Kingswood and Taft, were rained out. The first away game was against Canterbury. As the game went into the 3rd inning, T-P was winning 6-0, but because of the continual showers, the game was stopped and postponed to a later date. T-P's next guest was Hopkins Grammar. After a hard fought three innings, T-P took a two run lead and finished the game on top by a score of 5-3. The trip to Cranwell proved to be very long and so did the game. The Fighting Gentlemen bowed to a much superior Cranwell team 7-0. The rematch with Canterbury was played on a Monday, and again we dominated the game and won 5-3.

T-P then played host to a very powerful Choate team. Because of a few bad calls, we lost 9-8. Our next two victories were over Milford by a 5-3 score and over Kent by a 4-3 score. Hotchkiss was next on the list, and they arrived with a powerful squad. T-P fought back two rallies that could have made the score higher, but then lost the game 6-3. The final game came on Fathers' Day; T-P hosted Lenox. As the end of the final inning came, T-P won 6-3 and finished the season with a 6-4 record. Next year the team will be looking forward to the return of more veterans and some needed sunshine.

Record — Won 5, Lost 3

The 1969 track team was captained by Steve Schmid and led by Tim McCabe to a winning season of five wins and three losses. The team did not have a lot of depth, so most of the cindermen had to run two or three events.

After winning the first three meets against Cranwell, Wooster and Hopkins Grammar, the team was confident of a winning season. In all three of these meets, McCabe came in first in th mile and the 880. Dwight Stephens also ran well in the mil Against Wooster, Schmid came in first for the 100, 220, and th 880. Kirby also ran well in the 100 and 220.

In the next meet against NYMA, the cindermen lost by score of 51-62. Schmid ran well in the 100, 220 and 440. Bant

came in first in the pole vault.

The Millbrook meet went down to the last relay. The team put forth a great effort to win the meet, especially Kirby, McCabe, Banta, and Lewis.

Against Berkshire Schmid took his usual three firsts, but even with this outstanding performance T-P lost the meet.

The next two meets were splits. The Canterbury meet also went down to the relay, but because of its strong relay team T-P won by a score of 60-53. On Parents' Day, T-P played host to a strong Hotchkiss team. Angel Figueroa ran well in the 880, and Steve Schmid and Tim McCabe ran well also. But despite our strong efforts, Hotchkiss won.

The last meet of the year was the Quadrangular Meet. Tim McCabe ran his best meet here. He broke the school record for the 880 by running it in 2:01 minutes.

The track team had many fine underclassmen. Derek Cranstoun did a fine job in the high jump, while Pat Banta did very well in the pole vault. Houston Butler and Johnson threw the discus. The distance runners were Dwight Stephens in the mile and Angel Figueroa in the 880. The sprinters were Mitchell and Fred Kirby.

The 1969 track team, despite its lack of depth, had a good team due to the coaching of Mr. Crowell. With a fine nucleus of underclassmen, the 1970 team should have a good season.

Last year's Varsity tennis team was fortunate in having three returning lettermen: Paul Ganzenmuller, Tom Hess, and Clark Herman. With the addition of Andy Peterson, Chris Kalisch, and Noel MacGarry, the team was rounded out quite well. T-P's tough schedule included such teams as Taft, West Point Plebes, and Berkshire. Due mainly to the great depth of the team, a record of seven wins and four losses was compiled.

In the first match, T-P encountered a strong Army Pleb team. The team lost a hard fought match 9-0. Next the Fight ing Gentlemen played a surprisingly tough Canterbury team losing by a score of 5-4. Winning were Hess, Peterson, an MacCarry in singles, and Kalisch and O'Rourke in third double

The following weekend T-P met a strong Hopkins Grammar team. T-P played well, but lost 7-2.

The following Wednesday the team met Hotchkiss. Because of the decisive loss to Hotchkiss the previous year, the team was really up for a victory over them. T-P won 6-3. Winning their singles matches were Hess, Ganzenmuller, Herman, and Peterson, playing at the number one, two, three, and six positions respectively. The first and third doubles teams of Hess-Ganzenmuller and Kalisch-MacCarry also won. The following Saturday T-P played Cheshire. Again T-P added a victory to their record by a score of 6-3. Playing a strong Taft team the following Wednesday, however, proved to be fatal as Taft won 6-3.

In the following two weeks, there was much improvement in the team. Decisive victories were won in the next four matches against South Kent, Millbrook, Hackley, and Berkshire.

The last match of the season proved to be another decisive victory for the "Fighting Gentlemen." Gunnery was very tough in the top two singles positions, but in the following positions victories were won by Ganzenmuller, Herman, Kalisch, and Peterson. The first and third doubles teams also won, which rounded out a 6-3 victory.

As usual, because of the fine coaching of Mr. Adams, the season terminated quite successfully. His constant care for the tennis courts and his devotion to the game itself also were a factor in the success. Next year's team should be another strong one because of the loss of only one team member.

Captain: Mark Rorabaugh

The 1969 Varsity golf team had the prospect of a good season in mind as practice started in the spring term. There were six returning lettermen, Mark Rorabaugh, Pete Bolton, Steve Dominick, Bob Gronauer, Bill Platow and Bill Booth from the past year's squad to form the nucleus of the team and the seventh spot prospects were promising. However, the hope of an outstanding season was destroyed when two top players, Bill Platow and Bill Booth, were expelled for disciplinary reasons. The remaining members moved up on playing positions and the coach, Father Heron, searched through the ranks of the other golfers to find the number 5 through 7 players. Prospects for these spots were: Dick Bauer, Dick Huoppi, Ridge Lincoln, Andy Lundberg, Jim MacNamara, and John Hart.

The early season proved to be erratic. It started with a match against Cranwell at their home course. Because of the lack of depth, we lost 3 to 4. Peter Bolton, Bob Gronauer and Steve Dominick won their matches. We won the next match, against Pawling High School, by a score of 5 to 0, but lost our third encounter, against Milford, by a score of 5 to 2. On May 10, T-P journeyed to Hotchkiss where they were defeated by a score of 4½ to 2½.

The next match was with Hopkins Grammar. The match, played on our home course, was exciting but Hopkins proved victorious, 6½ to ½. Mark Rorabaugh tied his match on the final hole after making up a five hole deficit.

The final match was a triangular match between Wooster, Canterbury and T-P, played at T-P. Wooster's 4 players and Canterbury's 7 made the match even more exciting, as T-P's first four men had to play simultaneously. The outcome of the Wooster-T-P match was 3½-½, T-P victorious. Bolton, Gronauer and Dominick were victorious and Rorabaugh tied. The T-P-Canterbury match was less successful as Canterbury won 6 to 1.

The record, poor as it was, 2 wins and 5 losses, does not show the enthusiasm and desire to win the team generated. What the team lacked in talent it made up for in desire. Father Heron was a great guiding spirit. He transported them to different courses to play, he drove them to matches and instilled in them a desire to succeed.

The 1969 football team returned on September 14 with few returning lettermen. Although the veteran backfield of Lowell, Pettit, and Tenney was back, virtually the whole offensive line and defense had to be reconstructed. This resulted in a very unpredictable team which managed to upset the strongest teams on the schedule, Hotchkiss and Canterbury, while losing decisively to the four weakest teams.

As always T-P opened its season against Hopkins Grammar, but fell to an experienced and talented team 38-0. It was evident early in the first quarter that T-P's pass defense was to be pierced easily as Hopkins completed a 50-yard pass on their first drive. T-P's offense could not move the ball, because their inexperience caused many mistakes. This trend continued throughout the afternoon as Hopkins crossed the goal-line four times, giving them a 38-0 rout.

The following weekend, T-P tried to avenge itself on an apparently weak Kent team. When Trip Lowell scored on a fiv yard run, T-P's hopes rose, but the defense could not contain th Kent running game. At halftime, Kent had compiled a 20- lead. The third quarter proved to be no better as Kent raise their lead to 39-6; however, the final quarter was indicative o the capabilities of the T-P defense which held Kent scoreless

Embittered by their first two shameful defeats, T-P rose t the occasion for the second consecutive year by knocking off a extremely powerful Hotchkiss team on October 18. The defens dominated the first half until the closing minutes. Tom Whit deflected a Hotchkiss pass into the arms of Jay Ericson, wh took the ball over from forty yards out. Trip Lowell added tw points on an end sweep, bringing the half to a close with T- leading 8-0. Hotchkiss finally scored in the fourth period on 25 yard quarterback sneak, but Eric Ackerbloom blocked th extra point attempt to give T-P a well deserved victory.

Playing Kingswood on Parents' Weekend, the Fighting Gen-emen opened the scoring early with touchdowns by Utter and itron. However, weak specialty teams allowed Kingswood ng return yardage and added momentum. The result was four uchdowns and a 28-12 defeat.

The following game against NYMA proved to be T-P's worst the season; nothing went right until the fourth quarter when -P trailed by twenty-nine points. Pettit and White put T-P on e scoreboard with two touchdowns, aided by great running by lfback Duncan Tenney. However, NYMA also scored and gistered a 43-16 victory.

With two weeks of practice and the traditional rally, the team nified its all-out effort to make up for its disappointing season y defeating rival Canterbury. The first half remained scoreless ntil the last play when Canterbury scored on a twenty-two yard pass play. In the third quarter, T-P dominated play and Trip Lowell carried the ball in from the ten yard line with two minutes remaining. When Canterbury got the ball, they were stopped cold by the fine defensive play of Cotty Outerbridge. Late in the fourth quarter, aided by the fine running of Lowell, Pettit, and Tenney, T-P mounted a drive which ended in a touchdown by Dave Rutter from a yard out. This gave T-P their sixth straight victory over traditional rival Canterbury.

For leadership and outstanding ability displayed on the field, Jon Pettit was elected captain. He was the mainstay of the defense for three years and also started at fullback for the last two seasons. Next season should prove to be a good one, for Coach Karpoe has molded a young team which has few lettermen leaving.

The Varsity soccer team started the year with an apparently strong starting eleven. The lineup of the team varied greatly throughout the season. The forward line was composed of Tom Hess, Tom Demenkoff, Bill Crowther, Charlie LePage, Patch Mason, and Paul O'Rourke. The halfbacks were Steve Heath, Larry Colt, Dave Cook, Charlie Mason, and Charleigh Davis. The defense was Skip McGinley, Alan Anderson, Sandy Yokan Randy Schmid, and Peter Anstett.

In the first match of the season, the team soundly defeated a inferior Hopkins Grammar squad 4-1. Bill Crowther led th scoring with two goals. Tom Hess and Tom Demenkoff eac had one goal.

The next game was against a strong Berkshire eleven. Even hough the Green and White Globetrotters were strongly fav-red over T-P, the Blue and Gold held them to a 4-1 victory. coring for T-P was Steve Heath on a perfectly placed penalty ick.

In the third match, the T-P Blue and Gold booters out shot nd out hustled a fine Lenox club 3-2. T-P had many oppor-nities to expand their lead but just couldn't put the ball into he net more than three times. Tallying for the Fighting Gentle-hen were Steve Heath, Tom Hess, and Patch Mason.

For their next contest, the team traveled to Waterbury, onnecticut, to meet a slightly better Taft ball club. In the first ew minutes, Taft displayed marvelous momentum, but it was nally curtailed by Steve Heath's penalty kick. Taft scored only ne goal before the half. In the second half, the Blue and Gold ould not reward their drive with any goals. Taft took five shots the goal, but only scored on three of them. Despite mounting ressure on the Taft defense and goalie by T-P's strong front ne, the Fighting Gentlemen had to bow to the Maroon and White 4-1.

On Parents' Day, despite losses in the front line, T-P played a 1-1 deadlock with Kingswood. Steve Heath led the scoring ith a driving shot from the 18 yard mark. However, the ighting Gentlemen, led by Hess and Heath, could not sustain well balanced offensive attack. In the two overtime periods, kip McGinley and Alan Anderson played exceptionally fine efense.

The following Saturday, the Blue and Gold crossed the Hud-on to meet a hard-fighting group of cadets at N.Y.M.A. Pete nstett played a great game in the nets, shutting out the op-ponents 1-0. T-P's goal was scored by Dave Cook from a corner kick by halfback Larry Colt.

However, within a week of the N.Y.M.A. game, T-P suffered devastating defeats from Hotchkiss, 8-3, and Kent, 11-2. Scoring for the Blue and Gold at Hotchkiss were Mason, LePage and Heath; and at Kent Patch Mason tallied twice.

In the next game against Gunnery, the Blue and Gold booters completely outplayed their opponents in every phase of the game except scoring. T-P had close to thirty shots at the goal; Gunnery only had five. The lone goal for the Fighting Gentlemen was on another Steve Heath penalty kick. The front line and halfbacks played an exceptional game as far as ball control went despite the 3-1 loss to the European clad Gunnery eleven.

The week prior to the big Canterbury game, the team elected Tom Demenkoff as the captain of the year for the leadership, spirit, and encouragement with which he inspired the team throughout the entire season.

On Saturday, November 9, the Blue and Gold stepped on the Canterbury soil to do their duty. In the first half, T-P completely dominated the field and were ahead 1-0 thanks to a goal by Charlie LePage. Due to an excellent defense Pete Anstett, the goalie, did not touch the ball once in the first half. In the second half, Canterbury had only two shots at the net, scoring on both. After this, the T-P offense pounded the Canterbury goalie many times, but kept losing precious momentum due to poor officiating. The final result was a tough loss for T-P at the hands of a less competent team.

Though the team compiled a disappointing 3-6-1 record, the members are greatly appreciative of the time and tremendous effort that Mr. Lawson put forth throughout the season.

The 1969 cross-country team compiled a record of four wins and four losses. Although the team was hoping for a winning season, it was quite satisfied with the record.

The team, led by Captain Dwight "Frame" Stephens, started off the season with a close win over Hopkins Grammar. Angel Figueroa and Dwight Stephens tied for first place, and Lance Karsten ran an exceptionally good race.

In the team's second meet against Berkshire, we were not as lucky and were defeated by the "big green machine." Angel Figueroa took second place and Tom Eastland ran very well.

The next weekend the team traveled to meet a very strong Hotchkiss team, in front of a large Parents' Day crowd. Again Angel and Dwight both ran an excellent race, although T-P was not the victor.

T-P then played host to both Cheshire and Gunnery for the triangular meet, which they won handily. In the meet, Cheshire took first place , but following their man was Angel Figueroa, who was six seconds behind, and Dwight Stephens, who took third. Both Willie Hayes and Simon Jones ran a very good race.

The following weekend, one of T-P's anticipated victories turned out to be a terrible defeat. This was the meet with N.Y.M.A. at Cornwall on the Hudson. The N.Y.M.A. runners knew their own narrow and long course better than T-P did, and they took first, fourth, fifth, and sixth places, with Angel and Dwight breaking up their shut-out.

Now the team had a record of three wins and three losses, and it looked forward optimistically for wins over both Taft and Hackley. (However, the result of the meet against Taft o Wednesday, October 29th, was expected by most of the runne on the team, although they would not admit it.) The Taft ha riers, who are probably among the best in the whole of Ne England, defeated us decisively although the T-P harriers ran good race.

In the final meet of the season, the team won a sweeping vi tory over an over-confident Hackley team by taking secon third, fourth, and fifth places.

This season proved to be a very good one for the new coac Mr. Hatmaker. Since Simon Jones was the only senior on th team, there will be six returning lettermen, who should have a excellent season.

After a disappointing '69 season, '70 was to be better. With the return of eight lettermen, the Varsity hockey team had potential as far as experience and confidence were concerned. Trip Lowell, who was lost for the '69 season because of a knee injury, came back courageously and led the team to a 13-7 record.

This year the Varsity was not invited to any tournaments ov the Christmas holidays. This allowed Coach Cooper to wo more on individual instruction, rather than merely getting t team into condition.

Trinity-Pawling's first game was with the Bedford Bears. Th proved to be an agonizing defeat although T-P undoubtec

ominated the game. The hockey team then had two easy vic-ries against West Haven and Gunnery, 6-1 and 7-0, respec-vely.

Taft was our first league game. T-P got off to a goal lead, but aft eventually overpowered the team, which had not yet ached its potential. After losing to Taft, the team bounced ck and beat Hill 4-1. Taft was again slated for the next game. Ve wanted revenge, but Taft controlled the puck and won 5-2. he team then traveled to Lawrenceville and defeated a very rong team 4-2. This was the best team effort so far in the ason.

Even though the team did not play good position hockey, it anaged to edge Lenox 5-4 in overtime. Trip Lowell deserved uch of the credit for this win, since he scored four goals.

T-P came up against its third league game with Hotchkiss, hich proved disappointing. The team was outskated and lost 2.

Choate was the next league game scheduled and this time T-P me out on top with a 3-2 victory, Dave Cook scoring the win-ng goal. The Plebes, Albany Academy, and the Yale Frosh ere next defeated by the T-P pucksters. Bresnehan and Lowell layed exceptionally well, as did the rest of the team. These ree clubs were of a very high caliber; however, T-P was play-g at its potent peak.

T-P next traveled to Berkshire and Kent. Berkshire humili-ed an overconfident group of hockey players 8-3. Kent also managed to come up with a win, but T-P surprised them by almost tying the game in the last 30 seconds of play.

From here T-P went on to defeat Choate 6-5. On February 28, Trinity-Pawling played host to Hotchkiss, the loss once again proved agonizing, since the team outskated and outshot its opponents.

The Varsity won the last three games of the season and tied the school record for number of wins. Berkshire and Kent were skated right off the ice. The Alumni were very surprised at the caliber of hockey the Varsity displayed.

The first line, which consisted of three returning seniors, Lowell, Colhoun, and Pettit, provided the scoring punch of the team by accumulating over a hundred points. Cavazuti, Howard, and Cook played exceptional defensive and offensive hockey and kept the opposition alert. The third line was very helpful in playing defensive hockey and at the same time scored a number of goals. This line was made up of Demment, Hess, and Gilbert. The defense which was inexperienced at the beginning of the season, matured tremendously. Peter Anstett and Fred Gilbert were offensively minded, while Humphrey and Huoppi played defensively.

The group of boys who played on this year's club should be proud of a fine season. They elected as their captain, a four year man, Trip Lowell, who broke the school's scoring record with 29 goals.

Record — 12 Wins, 6 Losses

This year's Varsity basketball team completed a highly successful season with a record of twelve wins and six losses overall. The team also finished third in the Tri-State League with a seven and five record.

The first three games of the season were against non-league opponents.

The Saturday before Christmas vacation the team defeated weak Cranwell squad 62-40. Tom White paced the winner with twenty-one points.

After Christmas vacation, Millbrook and Hopkins were th opponents. The Millbrook game was a sloppily played conte with T-P winning in overtime 52-43. At Hopkins, the team ap

eared to be an extremely fine shooting squad. As a result, the opkin's shooters were able to penetrate T-Ps zone and won)-49.

T-P then lost its first league game against Gunnery, a team hich had no business defeating our squad. Costly mental er- rs were the significent factors in a 47-43 loss.

The next game was against a Hotchkiss team which had a cord of 0-3 at the time. In a game which was extremely tight l the way, Andy Peterson hit a layup with fourteen seconds ft to give the Fighting Gentlemen a 64-63 victory. The forth- ming Saturday, the defending league champion Kent team as hosted. The Saturday night crowd gave great encourage- ent to the team. As a result the team trailed by only one point ter three quarters. However, Kent exploded in the fourth uarter and streaked to a 61-41 victory. The defense played ex- emely well to hold the league's leading scorer Phil Rodgers to xteen points.

At this point, the Varsity began to play the calibre of basket- all it was capable of. It defeated Canterbury 56-40, a tall and ell balanced Trinity Frosh team 64-62 on Billy Scott's jump ot at the buzzer, and Taft 59-41 behind George Utter's twen- points.

The following Wednesday, T-P continued its winning ways y avenging the early loss to Gunnery. The final score was 6-41. George Utter was the high man with twenty-three while ave Foster scored his first Varsity points by adding three.

A week later T-P faced Choate. The team played one of its rongest games of the year in defeating the usually strong squad 1-42. White and Utter scored seventeen and sixteen points respectively.

The team's league record now stood at four wins and two losses, good for second place.

The Blue and Gold increased its winning streak to six with a one sided victory over Taft 71-44. Salata, White, Utter, and Figueroa all scored in double figures. The minutemen contributed heavily in this game as Birns and McKay scored four points apiece.

The team played its worst game of the year against a weak Berkshire club while losing 72-58. However, the players poured back strongly to win the next two against Calvary Lutheran 74-56 and Canterbury 57-30.

On Saturday evening, February 28, the team played host to Hotchkiss in the battle to decide second place. The game was perhaps the most exciting of the year. T-P led by 61-53 with two minutes to go but fell victim to Hotchkiss' fine press. The final score was a heartbreaking 62-61 setback.

After compensating for the defeat at Berkshire with a 65-53 victory, the team bowed to Kent (which had clinched its second consecutive league title) 76-68. Kent's star Phil Rogers scored forty points in the victory, while Salata, Utter, White, and Figueroa hit for double figures.

On the whole, the season was a very successful one. Tom White and George Utter both averaged sixteen points a game. At the close of the season the team elected George Utter as its captain as a result of his fine all-around play and desire.

With only three players not returning, Mr. Hubbard's squad should be a serious contender for the league championship next year.

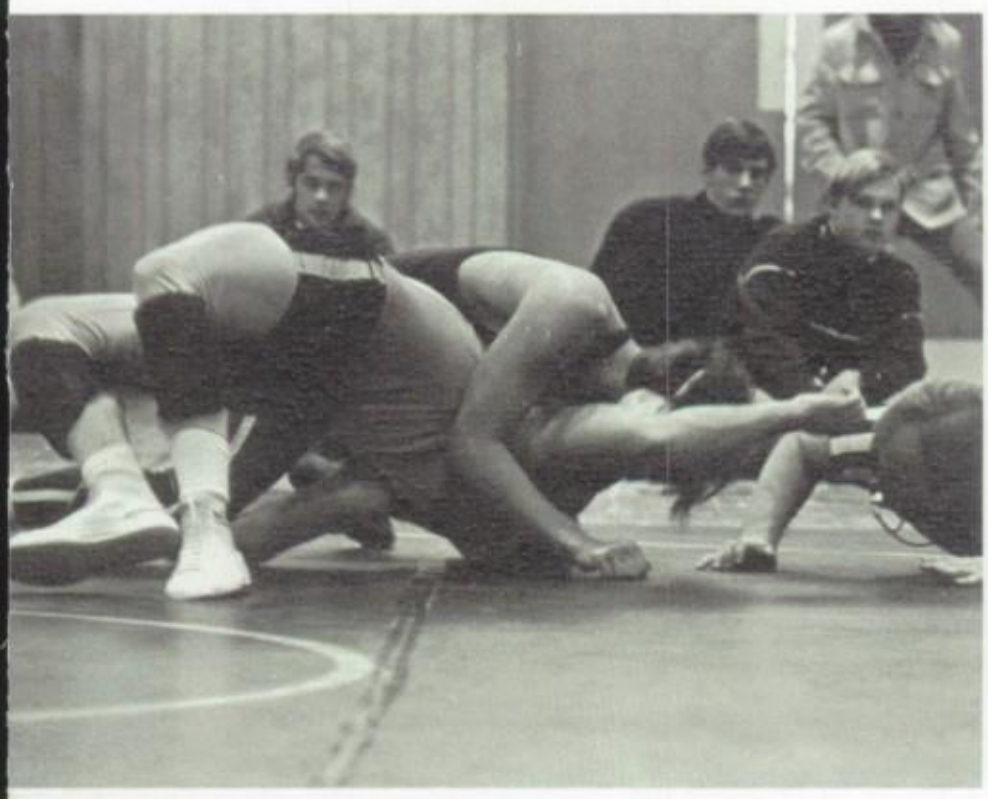
Record — 5-3

At the beginning of the season this year's wrestling team was not looking forward to a good season in view of the fact that there were only five returning lettermen. The rest of the team was composed of last year's J.V. and newcomers.

The regular lineup was: David Bowman (112), Bruce Pollock (117), Irwin Liu (123), Chris Peck (129), Peter Becker (133), Jay Kirchmaier (138), Max Baer (145), Mike Tand (150), Harlan Holmes (160), Richard Lovisa (167), Je Siegfried (177), and Taylor Jackson (unlimited).

Our first match on January 21 was against Hackley. With th help of pins by Tandy, Lovisa, Jackson, Baer, and wins by Li and Holmes and Peck, the wrestlers were able to beat Hackle



28-18. On January 24, the team traveled to Darrow to wrestle a first year team. Winning by pins were Liu, Tandy, and Lovisa, Siegfried, and by decision, Pollock, Peck, Kirchmaier, Holmes, and Jackson. The final score was 35-13 in T-P's favor. The next match against Hopkins Grammar was to be one of the hardest. Hopkins Grammar tied T-P last year and has always been a strong team.

On January 28 the wrestlers traveled to Hopkins and were handed their first defeat. Hopkins was very strong and beat us 26-11. Winning for T-P were Peck, Lovisa, and Becker; and Holmes tied. Shrugging off this loss, the wrestlers were determined to beat Salisbury. Both T-P and Salisbury were about equal and the match proved to be very close. It came down to the last match with T-P losing 20-21. To win the meet we had to win the match. Taylor Jackson did a magnificent job in pinning his man in the first period. The final score was 25-21 T-P. Winning were Pollock, Becker, Tandy, and Holmes. Our next match was to be the hardest. Canterbury was reputed to have one of the best, if not the best, teams this year. They lived up to their reputation and beat us 28-14. Winning for T-P were Liu, Baer, and Siegfried, with Tandy pinning. Our next match was at home against Hotchkiss. We soundly defeated them 34-15. Liu, Peck, Kirchmaier, and Tandy won by decision; and Pollock, Becker, Holmes, Siegfried and Taylor Jackson pinned. The next week the team traveled to Kingswood and was handed its third defeat. Winning by decision were Liu, Tandy, Holmes, and Siegfried. Taylor Jackson pinned. The final score, in favor of Kingswood, was 24-19. The wrestlers final match was again Kent. Last year Kent was the only school to defeat T-P. This year the team hoped to even the score. Irwin Liu registered the fastest fall of the season by pinning his man in 35 seconds. Also winning by fall was Tandy. Those winning by decision were Bikle, Becker, and Baer. The final team record was 5-3, a fine team record in view of the loss of last year's strong men.

Posting winning records were seniors Tandy (7-1), Becker (5-1-1), and underclassmen Liu (7-0), and Lovisa (5-2). Others were Bowman (0-6), Pollock (3-5), Peck (3-4), Kirchmaier (2-5-1), Baer (2-5-1), Holmes (4-3-1), Siegfried (3-1), and Jackson (4-4). Much of the team's success is due to Mr. LaBelle, who contributed his time and knowledge as well as instilling spirit and confidence in the team. The wrestlers elected Mike Tandy as captain for his leadership and determination throughout the year.

Record — 1-7

The 1970 Varsity swimming team had a disappointing season. The "Mermen" compiled a record of one win and seven losses. The team was coached by Mr. Wood and Mr. Brandow. At the close of the season the team elected Peter Brucker captain.

The team started off badly against Poughkeepsie by losing 68-27. This loss was attributed to a violation of a rule which was put into effect this year. The rule required flags to be placed along the pool for all backstroke events. The absence of these flags disqualified the team from any points in these events. Swimming well in this meet despite the loss were Seibert, with first in the sixty yard freestyle and the one-hundred yard butterfly, and Benson with a second in the sixty yard freestyle and a

irst in the hundred yard freestyle.

The team then suffered losses to Canterbury and Cheshire. In oth of these meets the score was very close and came down to he last relay. The "Mermen" lost the last relay both times be- ause the team lacked depth. Thus it lost both of these meets.

The highlight of the season was undoubtedly the team's only vin, against Westminster. The entire team swam well, but the tandouts were the medley relay, of Brucker, Ackerbloom, Kollmeyer, and Benson. Brucker also won the backstroke, while Wilson, Benson and Seibert won the freestyle events.

The final record for the team is not indicative of the caliber of some of the swimmers on the team. The team lacked the depth that was needed to win meets throughout the season. This was evident in the losses to Canterbury and Cheshire. With several returning lettermen from this year, next year's team should be a great improvement.

Manager: Steve Connell
Record — 2-8

The T-P squash team started its season with a win over Berkshire, and it looked as though the team was off to a good season. T-P's next match was against a strong Kent team and T-P lost 7-0. Hoping for a comeback against Westminster, T-P could not overpower them and lost 5-2 with Herman and Herrick winning. T-P lost to a fine Choate team 7-0, took two games from the Trinity College Frosh and lost 9-0 to the powerful West Point Plebes. T-P sought its second win but could not conquer Millbrook and lost 3-2. T-P next went to the Nichols School Tournament and lost 4-1 with Heath and McGinley playing well and Harold Herrick winning a superb match. T-P then hosted Kent but could not overpower them although Herrick won a fine match. T-P ended its season with a glorious win over Berkshire. Winning were Herman, Herrick, Lundberg, Fisher, and Esselen. The team elected as its captain Steve Heath, who played number one.
